

EDUCATION PROGRAM SUBSIDIES INFORMATION

Full or Partial Subsidies are available to support members' participation in courses offered by our union and social justice partners.

Resources are limited, so in most cases, other sources of funding will also need to be explored. For details of the Subsidies Budget please refer to the Ontario Region Education Plan:

The Subsidies Policies posted here include information on how to request a subsidy and the criteria.

Contact your PSAC Regional Office for more details on how to access a subsidy.
