Dear Sisters and Brothers:

We are pleased to invite you to participate in the 2006 Health & Safety Conferences being held this fall in the region. We have planned a total of six (6) conferences, one in each of the Ontario Council sub-regions.

Attached please find the date and location for the conference in your respective region. Locals are invited to attend the conference in their geographic region.

In response to member input, the common workshop offered at each of the conferences will be Indoor Air Quality. The other half of the day will offer a mixture of education, networking and presentations on numerous issues facing health and safety activists today.

Each local is entitled to one **(1) delegate, paid for under the conference expense policy (attached)**. It is recommended that the local delegate be a member from the Joint Health and Safety Committee or the Health and Safety Representative.

Each Conference is scheduled to begin at 9:00 a.m. sharp on the respective Saturday and will close at 4:30 p.m. Delegates are expected to travel home at the completion of the conference.

Locals/branches may apply for additional *participants*, for a registration fee of \$40. RVP/NVPs, Area Councils and Equity Committee members are also welcome to apply as participants, for the \$40 fee. Acceptance of participants is subject to available space. Expenses for the accepted participants will be the **responsibility of the local/branch/sending body.**

Please Note: This is a **SCENT FREE** Conference
