

ONTARIO FIGHTS BACK: SATURDAY APRIL 18, 2009

CROSS PROVINCE PROTESTS TO STOP THE CUTS TO OUR HOSPITALS!

On April 18th, communities from across the province who are facing major hospital cuts or closures of entire hospitals will be holding protests at their nearest McGuinty government MPP office.

Hospital cuts mean lost capacity, longer waits, worse overcrowding, traveling further, higher infection rates, and paying out of pocket.
