SOLIDARITY IN A TIME OF CRISIS

STEWARDS ASSEMBLY

**STEWARDS, STAFF AND LEADERS FROM
ALL UNIONS IN GREATER TORONTO**

**THURSDAY, MAY 7, 6:30PM
SHERATON CENTRE, QUEEN @ BAY**

As the economic crisis deepens, workers in every sector of the economy will be facing intense pressure on wage levels, benefits, pensions, and even our basic labour rights. To face this looming challenge, unions across Toronto are coming together in a first-ever historic Stewards Assembly.

Join us on May 7th to map out a united defence of our collective agreements and the standard of living of our members.
